18. ___ Make sure everything is stapled in numerical order. Match the assigned number above with the page number of the answer sheet page numbers. The number should be legibly (clearly) written with a BLACK marker on the BOTTOM RIGHT HAND CORNER (#1-17) of each page of the assignment. = 10

Total Points _____/350

Important Note: It is the student's responsibility to type and print any required assignment. Students that do not have a computer and printer at home will need to make time (student's own time and not during class time) to go to the computer lab or library to type and print their assignments. The instructor will not allow a student to go to the lab or library to print their work on the day the assignment is due. No exceptions!
